Dear Mr. Schommer:

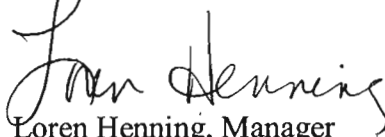

On August 8, 2008, a hazardous waste compliance inspection was conducted by a representative of the United States Environmental Protection Agency ("EPA") at Valley-Todeco, Inc., located in Sylmar, CA, with EPA Identification Number CAT080014103. During the course of this investigation, information was gathered in accordance with Section 3007(a) of the Resource Conservation and Recovery Act ("RCRA"), as amended {42 U.S.C. §6927}.

Pursuant to Section 3008 of RCRA {42 U.S.C. § 6928}, the EPA required you to correct the identified area of noncompliance and to submit documentation of its correction to the EPA within 30 days from the date of your receipt of the Warning Letter sent by the EPA on February 5, 2009.

Valley-Todeco, Inc.'s submittal, dated February 25, 2009, adequately addresses the violations which were noted during the inspection, and documents Valley-Todeco, Inc.'s return to compliance with the regulations cited in the inspection report. This letter should not be construed as a determination by the EPA of your compliance with any other applicable regulation.

Valley-Todeco, Inc. should continue to take the necessary steps to maintain and ensure compliance with all applicable Federal, State and local environmental requirements. If you have questions related to the inspection report or this letter, please contact Clint Seiter of my staff at (415) 972-3298.

Sincerely,
